

Catch Those Plot Bunnies!!!!

“A plot bunny is a story idea that refuses to go away until it is written. The term's origin is unknown but is known to predate NaNoWriMo. Because plot bunnies tend to multiply quickly, the term is thought to be related to the oft-quoted John Steinbeck quote about ideas and rabbits.” – wikiwrimo

“Ideas are like rabbits. You get a couple and learn how to handle them, and pretty soon you have a dozen.” -- John Steinbeck
