

# Setting Worksheet: Primary Exterior Location

Describe this place:

What is the mood here?

How will this place reinforce the theme of the work?

What events will take place in this space?

Is it urban or rural?

Is it currently inhabited? Wilderness? Something in between?

Is it well-kept up or overgrown?

What makes this place unique?

What year is it?

What country/state/continent/planet are we in?

What does it smell like out here?

Are we likely to encounter any animals out here?

List all the nearby buildings.

Are there windows? Can we see in? If so, what do we see?

List any important objects in this space.

List any natural resources the protagonist may find useful.

List anything in this space that the protagonist should fear.
