

Word Choice Chart

Different characters are going to use different words for the same objects based on their background and personality. Create three different characters who are different geographically, occupationally and have different temperaments. What words would they use for the term in the left column?

	Character 1 Where am I from? What do I do? Most of the time, I feel:	Character 2 Where am I from? What do I do? Most of the time, I feel:	Character 3 Where am I from? What do I do? Most of the time, I feel:
Carbonated Beverage			
Periodical			
House			
Automobile			
Meal eaten in the middle of the day			
Something you drink out of			
Something you carry clothes in
